

When You Need A Helping Hand

Elevate Personal Care

We understand the challenges a family faces when everyday tasks such as bathing, grooming, and meal preparation may be too difficult for an aging parent or a physically challenged family member.

Transitioning Care, Improving Lives.

Personal Care, When You Need A Helping Hand

What is Personal Care?

Elevate Personal Care provides in-home care that can help your loved one live a more enriched and independent life.

Our highly trained and compassionate caregivers ensure that your loved one is safe and healthy while providing assistance with a variety of personal care activities.

All of our caregivers are employees of Elevate Personal Care, are fully insured and have had back ground checks. We provide comprehensive training and a Social Worker (Certified Senior Advisor) that provides case management and supervisory oversight.

Personal, Customized Care

Elevate Personal Care will work with you to develop a customized home care plan that meets your loved one's needs.

Examples of the types of services we offer include:

- Free in-home assessment.
- Transportation to doctors' appointments and errands.
- Laundry and light housekeeping.
- Medication reminders.
- Appointment scheduling.
- Coordination and management of care providers/services.
- 24-hour care or respite/short-term.
- Bathing, dressing, and grooming.
- Shopping and meal preparation.
- Companionship and social activities.

Let us give you the peace of mind you deserve.
